

INSURANCE AWARENESS

Anytime is a good time to get Life Insurance

The main reason to get life insurance is to financially protect yourself and the ones you love. We often procrastinate to get life insurance because we feel the time is not right. Anytime is a good time to get life insurance.

WHEN IS THE BEST TIME TO BUY LIFE INSURANCE?

When you are young and healthy

Getting life insurance younger means you lock in affordable rates for the entire policy term. You also get to start your own solid investment plan.

When you have dependants

The beauty about life insurance is that the benefit pay out helps you keep your promises to care for your loved ones when you are gone.

When you are older and about to retire

Having adequate insurance that keeps your hard earned money safe and growing with cash returns plus maturity payouts, all work to secure your retirement. With life insurance you can achieve that.

Hello John! Welcome to My BSP Life.

You can use one of the action buttons below to access details about your policies, including the contact details we have for you, the level of cover and people on your policies, the method and frequency of your premiums, and copies of selected correspondence sent to you from BSP Life.

You can make changes and update some of this information, and the My Requests page allows you to submit claims and make contact with us in relation to your policy.

If you need copies of forms or documents such as the application forms, you can find them in the Document Library.

Thank you for your continued custom with BSP Life. We are delighted to be your chosen life and health insurer.

This appears to be the first time you have logged in.
